I want something that allows me to go out and find them myself There are missions where itll guide you if you want them, but it wont restrict you from running off and hunting whatever you want level 1 3 points 2 months ago Red dead redemption 2 has a very good hunting system level 1 2 points 2 months ago All others I have tried just make you follow a set path and hunt animals loaded into a specific area.. Please contact the moderators of this subreddit if you have any questions or concerns.. The game focuses most on the combat and not the tracking etc Its got a hefty price tag and its probably not quite what youre looking for, but Im putting it out there just for the sake of recommending.

The game was awesome; you start in the middle of large map, and can roam wherever you want and hunt a variety of animals.. For you specifically theres expeditions which are basically free roaming Without going on preset quests you wont progress and unlock new things, but it could be worth checking out.
