He's Just SO Rude!

so here we are in are main characters room once he awakens we will get to see what fun adventures he gets up today

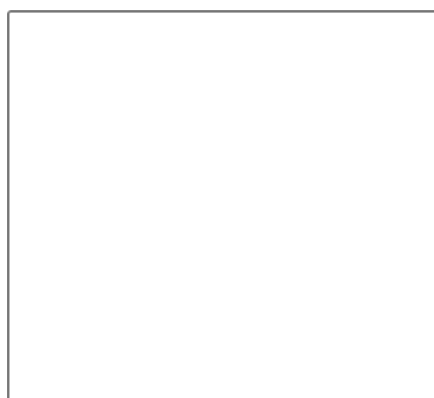

uh oh looks like a cyberbully wonder what he will do to solve the problem

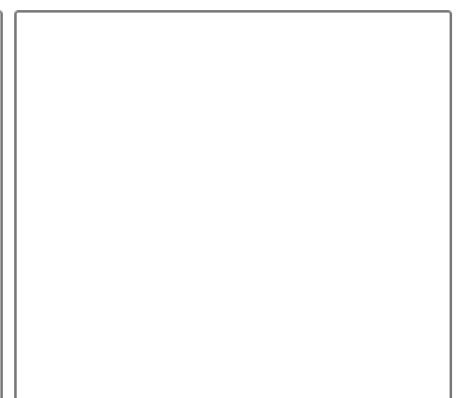

looks like hes losing wonder how hes going to solve this problem

uh oh looks like hes given in to the bully and left the game thats not very good wonder whats gonna happen next

looks like hes going to tell his parents

now that hes told his parents hes done all he can but now he is ready if another cyberbully
